What's New

At school we have a few planters and a section of flower beds that we struggle to keep tidy with all the busy things we have to fit in to the school day. We were wondering if there are any parents or grandparents who would be able to give some time to come and tend to our beds, either on an occasional basis or regular basis and perhaps work with a small group of children, introducing them to gardening and teaching them how to be a good gardener. Please talk to the office if you feel you or a friend or relative is able to offer some time. Thank you.

A note from Mrs Crawforth

“Thank you to everyone for their hard work on Friday for Comic Relief. Unfortunately I was out at a meeting but I am told that the children were all brilliant and we have a lot of talent in school. Thank you to parents who helped the children prepare. Thank you also to the staff for organising the activities and the talent show, I am very lucky to have such a dedicated and hardworking team who always embrace any theme days with enthusiasm. We raised £120.00 for Comic Relief which is really good for a small school like ours, thank you for your donations.”

This is in addition to Purple Mash that children also have a log in to.

Other news:

The PTFA are planning on having a summer festival suitable for children on Saturday 15th June from 12pm onwards. The success of this depends upon the ideas we have. So far we are thinking we will have a show from Glee Club and will ask some of the children who learn an instrument to perform. We would also like to invite local dance troops, musicians and bands to come along and play for a short slot. Can you please have a think if you have any other suggestions or any contacts that we can use to help make this a success. As soon as the next PTFA meeting is planned, we will let you know. It would be great for as many people to come and share ideas as possible as we really want to make this a success so we can raise as much money as possible from people outside our local community.
