What's New

Some of you will have received a letter about helping to empty the Portacabin and have offered to help.

PLEASE NOTE, the builders have now informed us that they will be replacing the cabin during May half term, not the Easter holiday, as we will then not need the equipment in the hall for as long because the extension will be nearly finished. We will ask again for your help nearer the time. Thanks in advance.

Please note the club changes below. Art will stop until June because Linda is lambing. Leek Town Football will begin again after Easter.

A note from Mrs Crawforth

"A great big thank you to the PTFA for organising the Easter Bunny event on Saturday. I was unable to come but I believe it was a great success. Thank you to Sarah Shilcock for the food, and to everyone who helped, I don't want to name in case I miss anyone, but thank you all. It is these events, organised by the PTFA and supported by our families and friends, that help to provide some of the luxuries in school and also subsidise any school trip, so thank you all. Can I take this opportunity to wish you all a lovely Easter break, let's hope we have some good weather."

This week's highlights

Easter Worship with Eucharist is on Wednesday at St Matthews at 10am. Please come along.

Worship Council News

We are going to have an Easter garden competition. If children can make an Easter garden on a plate or small baking tray over the holiday, these can be brought in and judged after Easter. Children know what to do but may need some help from you.

<https://home.espresso.co.uk> You will need the following information to login:

Username: student27657

This is in addition to Purple Mash that children also have a log in to.

Other news:

Busy Bees new

Please note the change of day for Forest School as shown above in upcoming events.

Could parents of children in Busy Bees class please consider whether your child needs such a big school bag if they have not got an official school bag? The class is finding that all the bags do not fit in the 2 boxes available and the children are not able to access their bags independently as they are stacked up too high. Some bags are nearly as big as the children!! Thanks in advance of your help with this problem.
